

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**SB 1044 - HB 1067**

February 19, 2021

**SUMMARY OF BILL:** Authorizes a driver intending to make a right turn from a state highway onto an intersecting road, highway, or driveway to move onto the paved shoulder of the highway prior to making the turn in order to permit vehicles following the vehicle making the turn to proceed. Specifies that sufficient area on the paved shoulder must exist to do so safely and the driver must not move onto the shoulder prior to 300 feet from the intersection where the turn is to be made.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- As this legislation provides that to move onto the paved shoulder of the highway prior to making the turn in order to permit vehicles following the vehicle making the turn to proceed the driver must have sufficient area on the paved shoulder to do so safely there will not be a significant increase to state or local expenditures.
- There will not be a significant decrease in prosecutions for local government to experience any significant decrease in revenue.
